

Dear partners, participating companies, conference organizers and visitors!

We inform you the following!

According to the protocol of the [Standing Committee on Technogenic and Ecological Safety and Emergencies "On taking urgent measures to prevent the spread of acute respiratory disease COVID-19 caused by coronavirus SARS-CoV-2" №29 from 01.04.2021](#) Kyiv City State Administration and meeting [of the Kyiv Regional Commission on Technogenic and Ecological Safety and Emergencies](#) №5 of March 23 2021, **in April strict quarantine restrictions were introduced in the city of Kyiv and Kyiv region.**

In this regard, as well as taking into account the incidence rates at the moment, we inform you about the postponement of the following events:

- ✓ International Medical Forum
- ✓ International Forum "Healthcare Management"
- ✓ International Medical Congress
- ✓ International Congress on Laboratory Medicine
- ✓ International Exhibition of Medical and Health Tourism, SPA&Wellness - Healthcare Travel Expo

from April 20-22 to May 25-27, 2021.

We understand the importance of holding events and your desire to meet, but at the moment, there is a situation that we cannot influence and that makes it impossible to hold Forums, Exhibitions and Congresses in April.

Therefore, we believe and hope that the situation will be more acceptable and our meeting will take place according to new dates - May 25-27, 2021.

Thank you sincerely for your understanding and support!

Venue - KyivExpoPlaza Exhibition Center,
Kyiv region, village Berezivka, street Amsterdamska, 1.

Best regards,
Organizing Committee
