

XII INTERNATIONAL MEDICAL FORUM “MEDICINE INNOVATIONS – THE NATION'S HEALTH”

On May 25-27, the main medical event 2021 took place – the International Medical Forum “Medicine Innovations – the Nation's health”!

Despite the quarantine and difficulties caused by the COVID-19 pandemic, the postponement of events and the strict requirements of the Ministry of Health of Ukraine this year, **at a new location – in the exhibition centre “KyivExpoPlaza”**, which is located in the suburbs of Kyiv (village Berezivka, Amsterdamska street 1) the LMT Group of Companies has successfully held a long-awaited meeting of healthcare representatives.

The joy of the meeting and personal presence at the event was felt even under protective masks. Finally, the medical community met offline – **these were three busy days dedicated to the health care of Ukraine!**

Specialists had the opportunity to familiarize themselves with medical and laboratory equipment, modern tools, a wide selection of medical furniture, laboratory glassware, medical clothing, consumables, etc., make new acquaintances, negotiate with participating companies and receive the best offers from foreign and domestic manufacturers.

Daily business meetings, professional consultations at the companies' stands were held, specialists from all regions of Ukraine exchanged personal experience, scientific-practical events were continuously held to improve qualifications, doctors engaged in constructive dialogue with representatives of the Ministry of Health of Ukraine and local authorities.

The event was supported by the Verkhovna Rada Committee on Public Health, Medical Assistance and Medical Insurance; the Ministry of Health of Ukraine; State Service of Ukraine on Medicines and Drugs Control, State Expert Center of the Ministry of Health of Ukraine; Kyiv City State Administration; Department of Health of the Kyiv Regional State Administration; National Health Service of Ukraine.

Organizers: the National Academy of Medical Sciences of Ukraine, Shupyk National Healthcare University of Ukraine, LMT Group of Companies.

Co-organizers: the National Academy of Sciences of Ukraine, Bogomolets National Medical University, Association of Clinical Chemistry and Laboratory Medicine of Ukraine.

IMF Ambassador: Soroka Ivan.

Official Partner of the Forum – Ukrainian Medical Club.

Participating partners: Protech Solution Ukraine, RH, Philips, Ambulatory.com, UKR DIAGNOSTIKA, AMED, Nikator, Labvita, Ksenko, Kind Company, Med Exim, HLR, LIEBHERR, Training and Methodical Center International School of Technical Legislation and Quality Management (ISTL), Modem 1, UKRORGSYNTEZ, MEDAPARATURA and others.

Profile medical associations, public associations, higher educational medical institutions **were involved** in the preparation. The event was **supported by** the media of Ukraine and abroad, Internet portals and other information resources.

SIMULTANEOUSLY HAVE TAKEN PLACE: International Forum “Healthcare Management”, International Medical Congress “Introduction of modern medical science advances into healthcare practice in Ukraine”, International Congress on Laboratory Medicine, International Exhibition of Medical and Health Tourism, SPA & Wellness – Healthcare Travel Expo.

On the first day, a solemn Official Opening Ceremony of the events took place.
